

Made out of ABS Plastic

Silicon steel motor with copper winding for better performance.

Elegant design with Low Noise level.

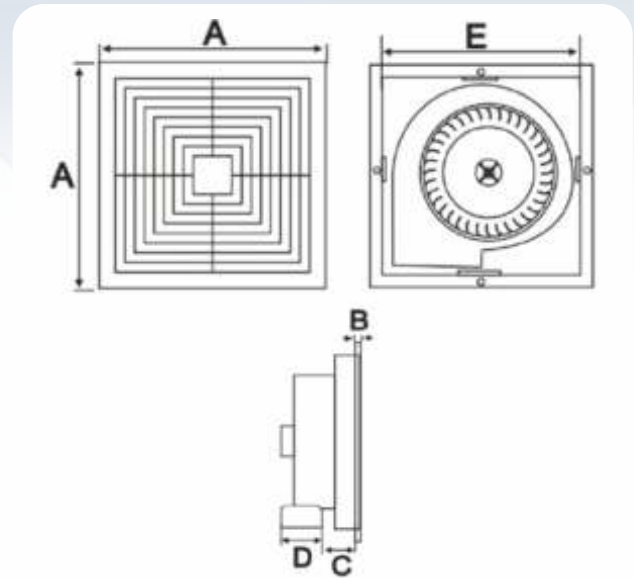

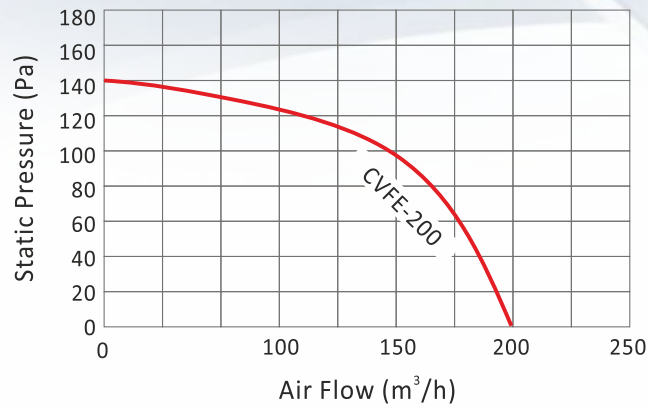

Built in thermal overload protector to save motor burn due to overheat.

## **CASSETTE EXHAUST FAN**

# CASSETTE EXHAUST FAN

## » Performance Curve :

## » Specification :

Model	Voltage	Power (w)	Air Flow (cmh)	Noise (db)	Duct Size (inch)
CVFE-200	220-240	40	200	40	4"

## » Dimension :

Model	A	B	C	D	E
CVFE-200	315 x 315	20	31	99	272
